

Dear friends, colleagues and students,

You are cordially invited to an open guest lecture in our traditional Christian ethics masters on the validity of God's revelation in nature. It is indeed our great pleasure to welcome professor John Byl to address us on the question:

# Did Science kill God?

By: professor John Byl, Trinity University

When: DV Thursday 23 May, 11AM

Venue: VU Amsterdam main building, lokaal HG-0G08 (25).

John Byl is a scientist with specializations and interests in Galactic Astronomy, Theoretical Physics, Applied Mathematics, Science & Technology, and Christian Worldview. Since 2009 he has been a professor emeritus at Trinity Western University, Langley, British Columbia, where he began in 1978, took over as chair of the department of Mathematical Sciences in 1980 and received his full professorship in 1985.
