

God Created Dinosaurs

Many people believe dinosaurs lived millions of years ago and they died before humans were alive. But when we read the Bible, we find that isn't true. Genesis 1 tells us that God created all land animals on Day Six of Creation (the same day He created Adam and Eve). Dinosaurs are land animals, so they were created on the same day as Adam and Eve, only six thousand years ago!

Find your way through the maze!

What did God create on Day Six?

Connect the dots to find the answer. Then color the picture.

“Look now at the **Behemoth**, which I made along with you.” —Job 40:15
